Administrators' Message

Dear St. Kateri Families,

As we near the end of another school year, our hearts are filled with gratitude for the many blessings we've shared as a community. June offers us a chance to reflect on the accomplishments of our students, the memorable events we've experienced together, and the growth that has taken place in every classroom.

In a special way, we offer our thanks and best wishes to the staff members who will be moving on at the end of this year. Each one has lived out the values of our Catholic faith: compassion, integrity, and leadership. They have guided our students with wisdom and care. As they begin new chapters in their lives, we pray that God continues to bless them on their journey.

We look forward to celebrating our students' achievements during our upcoming Grade 6 Farewell and end-of-year festivities. These special moments remind us of the incredible work our students have done, supported every step of the way by our dedicated staff and the unwavering partnership of our families.

Thank you for walking this journey with us. Wishing you and your loved ones a joyful, safe, and restful summer.

Blessings,

Nicole Grossman
Principal

Assistant Principal

Alien Inline

Unfortunately the instructor for Alien Inline Skating became injured and we therefore had to push our residency to take place in the fall. Thank you for your understanding.

Leadership School Spirit Days

The students from the Leadership Team have planned some fun spirit days to celebrate the end of the school year!

Tuesday, June 23 - Last day of school/St Kateri T-Shirt Day

School Supplies

School Supply list for 2026-27 school year are posted on our [St. Kateri website](#). Since most work for students in Grades 4 to 6 is done with Chromebooks and through Google classroom, we make an effort to limit what we ask students to supply. It is not necessary to purchase additional supplies if you already have items at home.

Parents will once again have the option of either purchasing supplies at local stores or ordering supply packages online through [SchoolStart.ca](#). Online ordering of supplies is convenient, so we are happy to offer this service to our parents. Orders placed through School Start are delivered directly to your home and are clearly labeled with your child's name. Information about School Start, including a short video, is available online at <http://www.schoolstart.ca>. Please note that funds raised from this initiative go towards the grade 6 farewell.

Field Trips

It's the most wonderful time of the year! As we count down to summer, classes will be engaging in various activities both at and away from the school. Please ensure that you're checking student agendas to stay abreast of activities in your child's class. Please also ensure that you're sending them to school with the proper footwear and outfits so that they can get the most out of these experiences.
